

COLLEGE 101

FOR UL LAFAYETTE PARENTS & FAMILY

► UNIVERSITY HOUSING

The [Office of University Housing](#) provides on-campus accommodations for UL Lafayette students. It is important for your student to abide by departmental and University rules and regulations. Being familiar with the [Housing Handbook](#), before they move into their residence hall, is the best way to start the school year off right!

Housing Move-In is taking place August 19-21, 2021 **by appointment**.

Students can find their housing assignments, roommate information, and their assigned move-in time in the StarRez Housing portal by doing the following:

1. **Log into ULINK.**
2. **Click on the “Campus Services” tab.**
3. **Click “StarRez Housing Portal.”**
4. **Click “Continue” for the Academic Year 2021-2022 housing application.**
5. **The Housing Status page will open next. This page will have students’ assignment information.**

Encourage your student to reach out to their roommate to get acquainted, plan room décor, and decide who will bring what supplies to help cut costs and save space. Students will need to make sure that their first full payment for housing and meals is made prior to the [University’s deadline for tuition and fees](#) (August 23, 2021).

► IMPORTANT DETAILS ABOUT HOUSING MOVE-IN

- 
- For social distancing purposes, a **specific check-in date and time** has been posted to each resident’s StarRez Housing Portal. Failure to follow the specific date and time will result in waiting long periods of time in the August heat.
 - Only **two non-residents** at a time will be allowed in the building to help the student move in during the time slot allotted.

Join us for our final Virtual Parent & Family Roundtable of the summer on **Tuesday, August 3 at 5:30 PM!** Representatives from the Office of First-Year Experience, Housing, Dining Services, and the Dean of Students Office will be on the Zoom call to answer your questions.

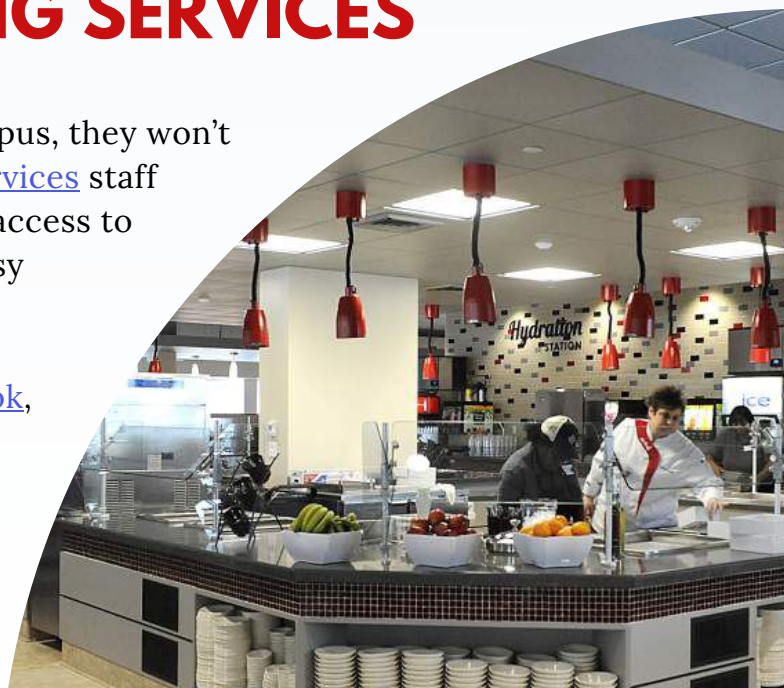

Zoom Meeting ID: 995 9978 8897

- All residents and non-residents will be **required to wear a facial covering** for the duration of the move-in process. Please bring your own; however, the Housing Office will provide a facial covering to anyone that does not have one. Residents will also be required to wear a facial covering any time they are outside of their residence hall room or apartment.
- Only two people are allowed at a time in the elevators.
- To help with social distancing, stairwells and side entrances will be open for move in.
- Volunteers will not be able to help residents with personal belongings. The University will have large bins on rollers to put personal items in to help the process. However, we suggest bringing a dolly and/or collapsible cart to help get items to the rooms.
- Vehicles will be allowed in unloading zones near the residence halls for 20 minutes only. After 20 minutes has passed, vehicles must relocate to designated parking lot.

► UL LAFAYETTE DINING SERVICES

Whether your student is living on or off campus, they won't go hungry while they're here! The [Dining Services](#) staff works hard to ensure that your student has access to tasty and healthy meals throughout their busy schedule.

Be sure to follow Dining Services on [Facebook](#), [Twitter](#), and [Instagram](#) for daily updates, information, raffles, and more! Daily menus for Cypress Lake Dining Room can be viewed on the [Bite by Sodexo app](#).

The UL Lafayette Move-In Central website contains additional information about housing move-in, including a packing list, guidelines for decorating, and more!

► MEAL PLANS

Meal plans are divided into two components: meal swipes and declining balance. The components of your student's meal plan will be loaded onto their Cajun Card. Meal plans for the Fall 2021 semester will begin on August 19, 2021.

Meal Swipes can be used at Cypress Lake Dining Room, Lagniappe Café, and Cafe Fleur de Lis. Declining Balance can be used at any location operated by UL Lafayette Dining Services.

Students can select a meal plan or see their selected meal plan for the upcoming semester in the StarRez Housing Portal. Meal plans are financially beneficial and are huge timesavers for students with busy schedules across campus.
