Dear UL Student,

As I mentioned in a previous e-mail, we are converting to a new student information system. The new Banner system is not quite ready for displaying your tuition and housing charges as well as receiving payments.

We expect to have tuition and housing charges available for you to view next week. At that time, I will send you an e-mail advising you to review your fee bill, pending financial aid, scholarship payments, and payment plan options. Because of the delay, we are extending the deadline to pay your tuition and if applicable, housing charges until August 10.

If you will be receiving a Federal Pell Grant, Federal Direct Student Loans, or a UL Academic Scholarship, please review your account now and if you have not already done so, accept your aid. Accepting your aid will prepare your account for payment. The steps are below:

- 1) Go to www.louisiana.edu
- 2) Click "ULink"
- 3) Click "New ULink"
- 4) Enter your ULID (C number) and password (First time users select "Activate my Account")
- 5) Select the "Tuition and Aid" tab
- 6) Under the "Manage Financial Aid & Scholarships" section, for the 2016-2017 Aid Year select "My Financial Aid and Scholarship Awards" option
- 7) Select "2016-2017 Aid Year" and Submit
- 8) If you do not see any aid awards (Pell Grant, UL Academic Scholarships, Student Loans) then your financial aid application processing is not complete. Please submit all requested documents.
- 9) Click on the "Accept Award Offer" tab (if this tab is unavailable, you must first accept your Terms and Conditions)
- 10) Review offered awards to accept and/or decline, then submit

Thank you for your patience as we upgrade our student information system.

Please continue to check your University e-mail at least once daily for tuition and housing information as well as payment information.

If I can be of assistance to you, please do not hesitate to contact me.

Vice President for Enrollment Management
