Course: UNIV 100 – Section 045 **Theme:** Leadership & Engagement

Course Topic: *Leadership for a Better World*

Description: Did you know leadership is about a process not a position? The Social Change model is designed to enhance the development of leadership qualities in all students - those who hold formal leadership positions as well as those who do not. In this course, students will learn about the process of leadership. More specifically, students will develop greater understanding of one's talents, values, and interests, especially as these relate to the student's capacity to provide effective leadership and the capacity to mobilize oneself and others to serve and to work collaboratively.
