## Living Learning Community

Does Starry Night hang on your wall? Can you recognize Claire de Lune after three notes? Are you on your way to being the next Rembrandt or do you consider yourself a stick-figure enthusiast? Whatever your ability or experience, the Gateway to the Arts LLC will be the perfect outlet for your creative expression. Visit art galleries, see theater and dance performances, check out local musicians, or get your hands dirty with various art projects. As part of the Gateway to the Arts community, the world of artistic expression is yours to explore. You'll experience dance, theater, music, visual and design arts and more, learning from those who have dedicated their lives to their crafts. Whether you are an experienced artist, a hobbyist, or a novice, come and explore your passion with others who share your appreciation for the arts. Don't worry, talent isn't a prerequisite!
