

2022-2023

Living Learning Community Expectations

Please read EVERYTHING carefully BEFORE applying for a Living Learning Community (LLC). Participation in an LLC is an academic year commitment, not a way to get into a specific hall or get a certain roommate.

Note to parents: Please allow your student to make their own decision to participate in an LLC. If they are interested, please also allow them to choose which LLC to apply to.

HOUSING

Spaces are limited in each community. If an applicant meets the LLC requirements, they will be accepted on first-come, first-serve basis based on the housing application date. Students can only be extended membership to one community. All Living Learning Communities will be housed in Corona Hall.

Private/Single Rooms: The essence of being in a Living Learning Community is to live together. Therefore, there are no private/single rooms in the LLC's.

Roommates: Students must live with a roommate in their own LLC. It can be a roommate of their choosing as long as both are in the same LLC.

COST

There will be a \$75 fee for participation in a Living Learning Community. This will defray the costs of programming for students. The \$75 is automatically added to the fall tuition bill.

ACADEMIC SPECIFICS

Please read the academic specifics and requirements for each LLC carefully.

The classes required for the LLC will be placed on the student's schedule for fall and spring semesters by the Office of First-Year Experience. These classes will automatically appear when the student is registering. **LLC students must understand that LLC classes MUST not be changed (day/time) at any point on their class schedule.** These classes are specific to the LLC and are reserved seats. Once changed, students can't be added back in. Students bringing in credit to UL through dual enrollment or AP credit do not have to retake these classes. Courses are subject to change based on availability. The student must notify the Office of First-Year Experience if credit has been granted. Some Living Learning Communities have a required ACT score. Please note the requirements for each LLC below. SAT scores will be converted to ACT scores for acceptance into the LLC.
